SUMMER'S GONE

And the living is much easier (No smoke, fewer allergies, and better outlook all around). The only downside is that we have nothing positive to report on the court case.

MARCIA CARRICO UPDATE

Marcia and Jim Carrico have moved back to Great Falls, Mt. in early September. Both were born in Great Falls, so it was actually a homecoming. She is still on the board, but not as active. She will try to help out whenever possible. We definitely are going to need homeowners to help out.

JEAN SEZ

We have several delightful new Homeowners and want to welcome them into the group. We still have these units for sell -- so tell your friends.

Unit 101, Wk 17—Unit 102, Wk 19—Unit 104, Wk 9, & 10—Unit 201, Wk 18—
Unit 202, Wk 47, 48, & 49—Unit 203, Wk 41, 42, & 46—Unit 204, Wk 51—

NEED HELP

We are trying to locate one of our homeowners. Her name is Annette Boucher. Her last known address was in Las Vegas, Nevada. If any of our homeowners know her whereabouts or any of her family, we would appreciate your advising Jean Remington at 406-857-3706 or Marcia Carrico at 406-453-1195.

ARTISTIC WALL

We have a new look—a mural above the Hot Tub—under water sea life including Dophins. Our thanks to Angie Remington for a job well down!

MAINTENANCE FEES

We are going to try to hold the maintenance fees at \$255.00 U.S. funds per unit week. Once again we will have an Early Bird Discount. For people who have more than one week, it is definitely a savings. It is better interest than the bank is paying. If you mail your check before Jan.1, 2004, you can save \$25.00 per WK.
